VSMPO TIRUS GENERAL TERMS AND CONDITIONS FOR THE PURCHASE OF GOODS AND SERVICES

Applicability.

(a) These terms and conditions of purchase (these "**Terms**") are the only terms which govern the purchase of the goods ("**Goods**") and services ("**Services**") by VSMPO TIRUS LIMITED (hereinafter: "**Buyer**" or "**VSMPO Tirus UK**") from the seller named on the reverse side of these Terms ("**Seller**"). Notwithstanding anything herein to the contrary, if a written contract signed by both parties is in existence covering the sale of the Goods and Services covered hereby, the terms and conditions of said contract shall prevail to the extent they are inconsistent with these Terms.

(b) The purchase order printed on the reverse side of these Terms (the "**Purchase Order**") and these Terms (collectively, this "**Agreement**") comprise the entire agreement between the parties, and supersede all prior or, understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. These Terms prevail over any of Seller's general terms and conditions of sale regardless whether or when Seller has submitted its sales confirmation or such terms. This Agreement expressly limits Seller's acceptance to the terms of this Agreement. Fulfillment of this Purchase Order constitutes acceptance of these Terms.

2. Delivery of Goods and Performance of Services.

(a) Seller shall deliver the Goods in the quantities and on the date(s) specified in the Purchase Order or as otherwise agreed in writing by the parties (the "**Delivery Date**"). If Seller fails to deliver the Goods in full on the Delivery Date, Buyer may terminate this Agreement immediately by providing written notice to Seller and Seller shall indemnify Buyer against any losses, claims, damages, and reasonable costs and expenses directly attributable to Seller's failure to deliver the Goods on the Delivery Date.

(b) Seller shall deliver all Goods to the address specified in the Purchase Order (the "**Delivery Point**") during Buyer's normal business hours or as otherwise instructed by Buyer. Seller shall pack all goods for shipment according to Buyer's instructions or, if there are no instructions, in a manner sufficient to ensure that the Goods are delivered in undamaged condition. Seller must provide Buyer prior written notice if it requires Buyer to return any packaging material. Any return of such packaging material shall be made at Seller's risk of loss and expense.

(c) Seller shall provide the Services to Buyer as described and in accordance with the schedule set forth on the reverse side of these Terms and in accordance with the terms and conditions set forth in these Terms and the Purchase Order.

(d) Seller acknowledges that time is of the essence with respect to Seller's obligations hereunder and the timely delivery of the Goods and Services, including all performance dates, timetables, project milestones and other requirements in this Agreement.

3. Materials.

If Buyer furnishes any material for fabrication or testing under this Order, then: a) Seller will not substitute any other material in such fabrication without Buyer's written consent; b) Buyer's title to such Materials shall not be affected by incorporation, attachment to any other property or service performed on the Material; c) Seller will maintain strict accountability to ensure positive individual lot integrity of finished product; and d) all such Material (except that which becomes normal industrial waste or is replaced at Seller's expense) will be returned in the form of product or unused Material to Buyer. Inaccuracies, out of tolerance conditions or inadequacies in quality of Materials accepted by Seller will not excuse performance in strict accordance with the applicable specifications, quality documents and drawings. Any industrial waste/scrap from Buyer-furnished Material will be owned by Buyer and, if requested by Buyer, collected and segregated by Seller for pick-up by Buyer. Any industrial waste/scrap from Buyer-furnished Material in excess of the allowance specified by Buyer will result in Seller being debited for the cost of the excess Materials plus appropriate labour and overhead burdens.

4. Use of Material.

Where Buyer for the purposes of the Agreement issues Materials free of charge to the Supplier such Materials shall be and remain the property of Buyer. The Supplier shall hold and maintain all such Materials in safe custody at its own risk in good order and condition and shall use such Materials as directed by Buyer. Any surplus Materials shall be disposed of at the discretion of Buyer. Waste damage, theft, destruction or loss of such materials arising from bad workmanship or negligence of the Supplier shall be made good at the Suppliers expense. Without prejudice to any other of the rights of Buyer, the Supplier shall return such Materials whether further processed or not to Buyer on demand. Where Materials other than the goods are supplied by the Supplier to perform the Agreement then the Supplier shall be responsible for the safe removal and disposal of all such Materials. Any surplus or waste Materials may only be left at the Site with the written permission of an Authorised Person.

5. Quantity.

If Seller delivers more or less than five percent (5%) of the quantity of Goods ordered, Buyer may reject all or any excess Goods. Any such rejected Goods shall be returned to Seller at Seller's sole risk and expense. If Buyer does not reject the Goods and instead accepts the delivery of Goods at the increased or reduced quantity, the Price for the Goods shall be adjusted on a pro-rata basis.

6. Shipping Terms.

Delivery shall be made in accordance with the terms on the face of this Agreement. The Purchase Order number must appear on all shipping documents, shipping labels, bills of lading, air waybills, invoices, correspondence and any other documents pertaining to the Purchase Order.

7. Title and Risk of Loss.

Title and risk of loss passes to Buyer upon delivery of the Goods at the Delivery Point. The Material furnished by the Buyer shall remain at all time the property of Buyer.

8. Inspection and Rejection of Nonconforming Goods.

Buyer has the right to inspect the Goods within one month after the Delivery Date. Buyer, at its sole option, may inspect all or a sample of the Goods, and may reject all or any portion of the Goods if it determines the Goods are nonconforming or defective. If Buyer rejects any portion of the Goods, Buyer has the right, effective upon written notice to Seller, to: (a) rescind this Agreement in its entirety; (b) accept the Goods at a reasonably reduced price; or (c) reject the Goods and require replacement of the rejected Goods. If Buyer requires replacement of the Goods, Seller shall, at its expense, within 10 days replace the nonconforming or defective Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective goods and the delivery of replacement Goods. If Seller fails to timely deliver replacement Goods, Buyer may replace them with goods from a third party and charge Seller the cost thereof and terminate this Agreement for cause pursuant to Section 25. Any inspection or other action by Buyer under this Section shall not reduce or otherwise affect Seller's obligations under the Agreement, and Buyer shall have the right to conduct further inspections after Seller has carried out its remedial actions.

9. Price.

The price of the Goods and Services is the price stated in the Purchase Order (the "**Price**"). Unless otherwise specified in the Purchase Order, the Price includes all packaging, transportation costs to the Delivery Point, insurance, customs duties and fees and applicable taxes, including, but not limited to, all sales, use or excise taxes. No increase in the Price is effective, whether due to increased material, labor or transportation costs or otherwise, without the prior written consent of Buyer.

10. Payment Terms.

Seller shall issue an invoice to Buyer on or any time after the completion of delivery and only in accordance with these Terms. Buyer shall pay, by bank transfer, all properly invoiced amounts due to Seller according to the payment term and currency stipulated on the face of the Purchase Order, except for any amounts disputed by Buyer in good faith. Without prejudice to any other right or remedy it may have, Buyer reserves the right to set off at any time any amount owing to it by Seller against any amount payable by Buyer to Seller under this Agreement. Amounts not so disputed are deemed accepted and must be paid, notwithstanding disputes on other items, within the period set forth in this Section 10. Buyer's approval shall not relieve Seller of its obligations under the Agreement, and Seller shall remain fully responsible for the performance of each such Permitted Subcontractor and its employees and for their compliance with all of the terms and conditions of this Agreement as if they were Seller's own employees. Nothing contained in this Agreement shall create any contractual relationship between Buyer and any Seller subcontractor or supplier;
